Asian immigrant survivors
of gender-based violence.

WHAT IS DOMESTIC VIOLENCE?

Domestic violence is a pattern of abusive behavior in any relationship that is used by one person to gain or maintain power and control over another intimate partner or family member. Abusive behavior can be physical, emotional, verbal, financial, and sexual.

WHAT IS SEXUAL ASSAULT?

Sexual assault occurs anytime a person is forced, coerced, and/or manipulated into any unwanted sexual contact, attempted or completed, without consent.

KAN-WIN is the first independent domestic violence organization in the Korean community in the United States. It is a trailblazer.
